REFRIGERATOR MODEL: EF36IWF

dacor The Life of the Kitchen.®	Epicure® Handle Kit, PN AFE36H3LXX*	INSTALLATION INSTRUCTIONS

*Where XX indicates the handle end finish

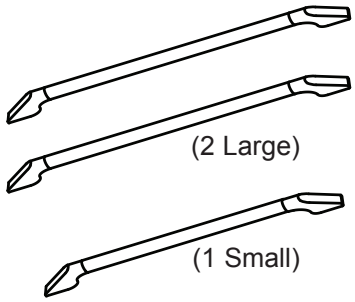
Tools and Materials Required

The following items are not provided with the kit and are required for proper installation.

- 3/32” Allen wrench (not supplied)

⚠ **CAUTION:** To avoid damage to the refrigerator or handle components, do not use power tools. Use hand tools only for disassembly and assembly.

Parts Included



Epicure Style Handles (3)

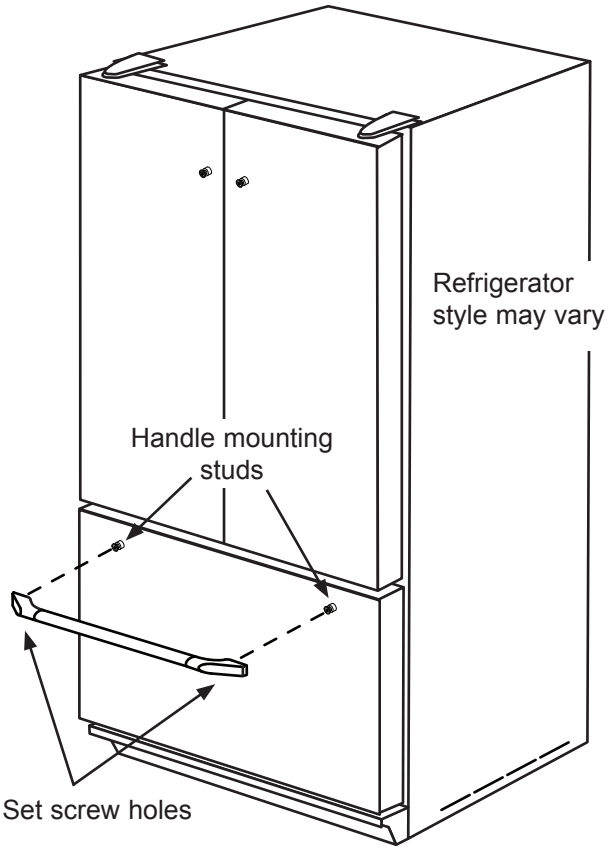
Bottom (Freezer) Handle Installation

STEP 1 Find the shortest of the three handles in the kit box.

STEP 2 Mount the handle to the bottom drawer by sliding the holes on the back over the handle mounting studs on the refrigerator. You may need to loosen the handle set screws using a 3/32” Allen wrench to allow the handle to slide into place. Make sure the set screw holes on the handle are facing toward the bottom.

STEP 3 Carefully tighten the set screws into place using a 3/32” Allen wrench. Be careful not to scratch the finish.

STEP 4 Check to make sure that the handle is firmly attached.

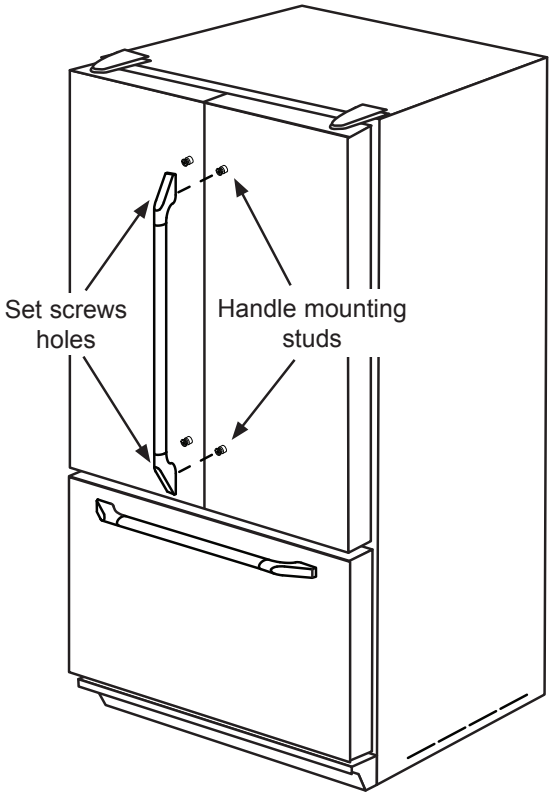


Top Right Handle Installation

STEP 5 Mount the handle to the right door by sliding the holes on the back over the handle mounting studs on the right door. Loosen the set screws if necessary. Make sure the holes for the set screws face toward the center of the refrigerator.

STEP 6 Carefully tighten the set screws into place using a 3/32” Allen wrench. Be careful not to scratch the finish.

STEP 7 Check to make sure that the handle is firmly attached.



Top Left Handle Installation

STEP 8 Mount the remaining handle to the left door with the holes for the set screws toward the center of the refrigerator. Loosen the sets screws if necessary.

STEP 9 Open the left door while holding the handle in place to prevent damage to the other handle during step10.

STEP 10 Carefully tighten the set screws into place using a 3/32” Allen wrench. Be careful not to scratch the finish.

STEP 11 Check to make sure that the handle is firmly attached.
